Other Business:

- Approved February minutes
- Reviewed budget statements
- Discussed having drawdown meeting with Lee Hauge in April to review the year.
- Set public meeting for 29 Profile Street for 4/2/12 at 7:30 pm.
- Reviewed cutting plan for Gulf Road.
- J. Hickey reviewed meeting with C. Mitchell, Pittsfield Conservation Agent regarding Rt. 8/ Unistress stormwater issues. Discussed proposed idea to use sediment forebays vs. settling/retention ponds. Foresight Engineering is putting together the plan. Addressing the stormwater issues could be part of the NPDES permitting process for Unistress. Will contact Mark Stinson, DEP, to help navigate addressing the issues with multiple stakeholders.
- J. Trybus is working to get elevation readings taken for potential pond at Laston Park.
- Received Forest Cutting Plan for Gulf Road (dated 12/16/11) with NHESP comments (dated 1/9/12)
